

# HOME LEARNING PROJECT—YEAR 3 AND 4

## KNOWLEDGE

Research 'The Ancient **Mayans**' and create an A4 sized book to share. Who were they? Are there modern Mayans? Think about including the following: hieroglyphics, codices, lives of ancient Mayans, *Mayan Gods and Goddesses*, Mayan numbers, the lost cities and any other information that is of interest to you.

## EVALUATING

Create a fact file on Ancient **Mayans** foods and their significance in Mayan times. Can you find out what Mayan people eat today and how similar or different their diet is compared to their ancestors?

## CREATE

Masks played a central role in **Mayan** culture. Create your own 3D Mayan mask. Additionally, produce a presentation to accompany your art piece to share your findings of why, how, when masks were used in Mayan times.

Your home learning challenge this half term is based on our next topic, The Mayan Civilisation. Choose at least 2 activities to do and present them in any way you choose. (PowerPoint, video diary, poster or fact file. All work must be completed to a high standard and be handed into school to share with the class by **Monday 13th March**.

## KNOWLEDGE

Present a poster including drawings and written descriptions of your own **Aztec** God. Think about what it looks like as well as what God-like qualities it has.

## CREATE/APPLY

Create your own 3D **chocolate** bar wrapper and think about branding. On top of this, you need to compose a jingle to advertise your chocolate bar! A combined Art and Music task for the **Keen Rock Steady Bands!**

## APPLY

Make a **chocolate** dessert to share with your friends and teacher! You may choose to design your very own dessert with a twist. Write up the recipe so it can be shared with the class whether it is a classic or an original.

## ANALYSING

Research, prepare and deliver a 2 minute speech on whether **chocolate** is healthy or not. Include relevant facts, current statistics and be confident to take and respond to questions from the audience.
