

# The River Nile

Find out about the River Nile. Where does it start? Where does it end up? What does it go past as it flows through Egypt?

Write a Travel Guide to the River Nile.

Here is some information on how to write a Travel Guide: <https://www.funkidslive.com/learn/penguin-explorers/make-travel-brochure/>.

You can write your Travel Guide, or make it as a video in iMovie. Take photos from the internet and use them in your video. <https://support.apple.com/en-ie/guide/imovie-ipad/welcome/ipados>

Part of your Travel Guide should be a tour along the River Nile on a Cruise Ship, from Aswan Dam to Cairo.

Due in on Monday 26th June. Movies can be Airdropped when in school—the children know how to do this!
