

# *Year 4 Summer Learning Challenge*

Your Summer Learning challenge is to research and plot a journey from England to Europe. You must begin your journey in England and visit 6 countries in Europe and their capital cities.

You must make a map and plot these 6 different countries and cities and label them on your map.

You can get creative and make a PowerPoint presentation, and you can also make a short video diary of your work as you go! If you are feeling really creative you could also make a model of Europe with your cities represented with a key feature.

Don't forget to bring your work to share with your class after the holidays.

**Please bring them back on Monday 23rd Sept**
