Mrs Neophitou's News

This week in my assembly we discussed 'Roles and Responsibilities' within school and the reasons why they are important:

- Develop confidence and recognise their different abilities.
- Prepare them to play an active role as citizens.
- Develop healthy, safer lifestyles.
- Develop good relationships and respect the differences between people.
- To have a "voice" and to share their opinions and ideas with others.

The children have been given application letters to complete if they are interested in having a responsibility within school.

Article of the Week

The children learned that education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.

REMINDERS

Please remember to download the School Spider app as this is how we will be communicating with parents moving forward, thank you.
