Be Curious

This week we have been focussing on the school rule 'Be Curious'. In my assembly we read the story 'The Girl with Big, Big Questions' by Britney Winn Lee which celebrates the spirit of curiosity and the joy of learning.

We thought of ways we can:

- learn with, from and on behalf of each other
- ask questions
- research information e.g. use the library or our iPads
- investigate new things
- become an 'expert learner'
