#### Zones of Regulation- BLUE Zone

The *Blue Zone*

We are expected to be in the *Blue Zone* just before bedtime or when we are watching the TV. We are running slow! We might be tired or sad. This is an unexpected zone to be in for learning.

This week we recapped strategies to support us when we are in the Blue Zone. We took part in some whole school activities to wake our bodies up and get them moving! It helped us as a strategy to reenergise.

Ask the children to show you some of their strategies at home!
